LECTURE AT SYMPOSIUM ON LOGISTICS IN ORIENTAL AMAZON

On September 10, 2015, Airship do Brasil (ADB) and Bertolini Transportes Ltda (TBL), represented by Mr. Daniel Bertolini took part in the Symposium of Logistics in Oriental Amazon, held at the headquarters of the 8th Military Region in Belem -PA. The Hon. Mr. Gen. Brigade. Ronaldo Barcellos, Base Commander of the Army Logistic Support, responsible for performing the customs clearance of all imported material for the Land Force, also took part of the event.

The purpose of the symposium was to present the companies and its logistics solutions to the Brazilian Army, focusing on strategic question of mobilizing resources in the Oriental Amazon region if military ground actions in this theater of operations (TO) would come to happen.

At the invitation of the Hon. Mr. Gen. Humberto Francisco Madeira, Commander of the 8th Military Region, Mr. Daniel held a lecture about the TBL Group Companies, whose work in the area takes place all over the country, with special emphasis on the Amazon region where the group has structures that promote multimodality and intermodality, especially land and water transportation. Following, Mr. Teodoro Thielen presented ADB, the history of the company and corporate projects for the Amazon.

At the end of the event, during the round of questions, it was unanimous the feeling of interest and curiosity in solutions presented by ADB, as well as its applicability in the areas of defense and homeland security, logistics and support to poor communities in the Amazon.
